STEAMS SOUTH; TODAY

North Carelina to Carry Body of Brazilian Diplomat.

BATILESHIP AS ESCORT

Fleet American Armored Cruiser Will be Convoyed by New Brazilian day afterroon. "Dreadnaught"-Yacht Mayflower Que in Roads This Morning.

Carrying the body of the late Brazilian ambassador, Senor Nabuco, and convoyed by the new Brazilian derad-naught Minas Geraes, the fleet Unit-ed States armored cruiser North Carolina will steam out of Hampton Roads
this afternoon, and, after passing out
of the Virginia Capes, will turn south
ward and begin her long journey to
Rio de Janeiro.
With the body of the late ambassader on learn the week Maydower is

dor on board, the yacht Mayflower is due to arrive in Hampton Roads this morning. The body will be transferred to the North Carolina with full military and naval honors both under the American and Brazilian code. The casket containing the body was removed from Oak Hill cemetery, Wash-ington, D. C., yesterday and placed aboard the Mayflower, The yacht left Washington for Old Point last

Americans to Attend Funeral.

As the warships will steam at a normal speed, they wi'l not reach R o until March 30 cr 31. In that harbor the body will be taken from the North Carolina and carried ashore. It will be laid to rest in the Brazilian capital with only with full honors. A detachment of of-ficers and men from the North Carolina and the ship's band probably will

march with the funeral cortege.

The Minas Geraes, which is one of the largest and most powerful battle-ships in the world, has been in Hampton Roads for the past ten days, arriving from England via the Azores She was only recently completed and is now bound on her maiden voyage. Brazilians Entertain.

Since the arrival of the ship, Cap-tain Das (Nexas and his staff of offi-cers have paid visits to the local shipyard, Old Point Comfort, Norfelk and the Portsmouth navy yard. Tuesday and yesterday the officers entertained on board their vesse! United States naval and army officers being among their guests.

Request of Hisgen That Governmen Do Not Buy Texas Oil Turned Down.

WASHINGTON, D. C., March 16.—
Thomas L. Hisgen, of West Springfield, Mass., presidential candidate of
the Independence party in the last
campaign, wrote to Secretary Dickinson complaining that the Texas Oil
Company, which supplies the war department with oil, is a subsidiary
company of the Standard Oil. As a
partment order prohibites the purchase with twelve feet of iron chain and six

Secretary Dickinson has replied that there are two reasons why this request cannot be compiled with:
First, the war departement has no knowledge that the Texas company is a trust and can accept nothing less than the decree of a court to that effect. Second, the order does not apply to contracts made before its issue, as was the rate with the Texas company larged moving lifetire subjects companying the contracts made before its issue, as was the rate with the Texas companying the contracts made before its issue, and the same was the rate with the Texas companying in the contracts made before its issue, and the contracts made and the contracts made before its issue, and the contracts ma was the case with the Texas con-

tive field, will be reached tomorrow. With the moving picture program they This is the time set for the sub-scale are expected to make up an exceptionalities to report to the scale confictionally fue bill.

committee to report to the scale contmittee, which will report to the special convention of the United Mine
Workers.

This organization will then decide
whether there shall be a strike of
200,000 miners. There is a feeling of
apprehension on both sides tonight.

At the convention of the United
Mine Workers today President Lewis
intimated that the increase in wages
must be granted. The operators,
while admitting that the situation was
decidedly tense, refuse to discuss the
subject. The meeting of the subscale committee today resulting in the
usual disagreement.
